All new Yazoo Kees equipment and attachments are eligible.

Plan Description

Deferred Interest with Payments: The customer is required to pay a minimum monthly payment equal to 1% of the purchase balance during the promotional period. Interest accrues at the standard account APR during the promotional period. Accrued interest is charged to the customer's account if the original purchase amount is not paid in full by the end of the promotional period. The minimum payment amount will increase to the standard Account repayment percentage after the promotional period for the remaining balance. (Plan Type 1)

Fixed # Payments with low APR: the customer is required to make equal payments based on the purchase amount plus interest assessed on the outstanding balance in each billing cycle during the promotional period. (Plan #2)

Deferred Interest with an Equal # Payments: the customer is required to make equal payments of the purchase amount for the promotional period. Interest accrues at the standard account APR during the promotional period. Accrued interest is charged to the customer's account if the original purchase amount is not paid in full by the end of the promotional period. (Plan #3)
